

GHOST CAPERS
Haunted Cape May
WALKING TOUR

Are You Game for a Ghost Caper?

- Based on extensive research through hundreds of historical documents, our family-friendly haunted walking tours are equal parts history and mystery.
- Ghost Capers tours focus on haunted history, not horror, as we take a walk on the spooky side of Cape May's past with stories about seven of its supernatural hotspots including the Southern Mansion, the Inn of Cape May, and the Hotel Macomber
- The stories on our tour uncover Cape May's hidden legacy of pirate lore, Victorian society scandals, Prohibition hijinks and more, while showing how the spirits of those who called Cape May home then still have a presence now . . . in more ways than one.

Dates, Times, and Locations

- Join us for a Ghost Caper on select evenings from May through October!
